1. This action is in responsive to the amendment filed on March 14, 2005.

Reason for Allowance

2. The following is an examiner's statement of reasons for allowance:

Claims 1-4 are allowable over the prior art of record because none of the prior art of record teaches or fairly suggests a multi-channel head position controlling apparatus comprising of a separate multi-channel detecting head placed upstream from the multi-channel reading head and in communication with the multi-channel reading head such that the reading head can be re-positioned well before valid data on the magnetic tape arrives at the multi-channel read head.

Claims 5-8 are allowable over the prior art of record because none of the prior art of record teaches or fairly suggests the use of at least three tracks and more than two read heads on a detecting section to read and adjust the positioning of the multi-channel read head in a tape drive.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
